

S.A. Sports Badge in Silver

E. SCHNEIDER, EIGENTUM D.S.A. SPORTSABZ.-HAUPTSTELLE - LUDENSCHIED
Serial Number "382707"

Description

The SA-Sport Badge was instituted on November 28, 1933. Testing for the award was broken down into three main groups (physical fitness, military defence and field exercises), which were in turn broken down into subdivisions. Men under the age of 35 who successfully passed the test for five consecutive years, or men between the ages of 35 and 40 who passed the tests during a twelve month period received a **Silver** colored badge.

Prepared by Darrell Simpson - September 2005

Details

Height	57.7 mm	Weight	17.6 gr
Width	45.2 mm	Material	Steel

Remarks

This example is a striking specimen with the Silver finish still intact. This particular badge is stamped with Serial Number 382707 on its reverse, indicating it was manufactured before September 1939.
